

The screenshot shows the Windows Phone 8.1 lock screen. At the top, the status bar displays various icons: two speech bubbles, a picture icon, a Wi-Fi icon, a Bluetooth icon, an H+ signal icon, two cellular signal bars, a battery icon, and the time 6:42 PM. Below the status bar is a blue header area with the word "Timeline" in white text on the left. On the right side of the header are a magnifying glass icon and a bell icon. The main area of the lock screen is a solid blue color. At the bottom, there are four large, light blue icons: a speech bubble with a red circular notification badge containing the number "89", a clock face, two stylized people figures, and a single person silhouette. A white horizontal line is visible at the very bottom of the screen.
